Density of Memory Foam: 80kg/m³

Dimension: 49.5 * 42.5 * 13 CM

GW: 2354.5 g

Outer lining: 100% Polyethylene

Inner lining: 100% Polyethylene with
Antimicrobial lining (Bi-ome linseed oil)

Lumbar Support Mechanisms

**Lower Back
Indisposed**

**Shoulder
Indisposed**

**Sitting for
Long Time**

In recent years, it has been observed that modern individuals often experience discomfort in their shoulders, neck, and lumbar spine due to their prolonged sitting postures.

Typically, desks and chairs used by professionals and students come in standardized sizes and cannot be customized to meet individual needs. The introduction of lumbar cushions serves to assist you in maintaining a correct posture during extended periods of sitting, alleviating bodily stress, and enhancing overall efficiency.
